

Drexel Sierra Club Minutes – 10/27/09

Susan Stein Brought delicious brownies

Started the day off with introduction of all new members and meeting of advisor

Events

Gallagher Presentation

Moved to the tenth of November to get more advertising accomplished

Pizza and drinks

Camping

Need to decide what weekend to go

Sometime in November either French Creek or Nockamixon

Survey for what weekend would work better is going out

UC Green Tree Planting

Planting over 150 trees in one morning

Saturday 21 of November

Drexel Power Forum

November 21

Need people to contact other schools to get help

Audience members would be fantastic

New energy club somewhere on campus, needs to talk with Nathan about how to talk with this club

General Announcements

Powershift- need to have three things submitted to the club email

Gardening – possibly trying to weed and plant things over the winter, probably over the summer

Drexel green – Jen Cusick volunteered to join Drexel Green to be the intermediary between the two organizations

Campus Clean up is being organized by Alex Guttman and is planning to be sometime in November probably opposite of the camping trip.

Prionka said she would be willing to update the web site
