- Congratulations to Catey, who will now serve as the club's secretary. We are hoping to hold general elections in January of 2009.
- Kelsey published a letter of congratulations for the LEED certification of the sciences building to several newspapers (including the Triangle).
- Numerous Triangle articles published about the club last year, also mentioned in DrexelLink mailing, keep up the good work!
- SAFAC is recruiting, we could always use additional influence, so please consider joining. Email safacchair@drexel.edu
- Drexel Green is now holding meetings for the upcoming year; for more information, contact Kristin Cuprinski at kristin.l.cuprinski@drexel.edu.

Anyone who would like to be administratively involved in the club, please let us know. We will need members to attend National Sierra Club trainings, along with Drexel's SOOT and CEO programs for this upcoming year.
